Long Neck Sunrise Rotary Club President-Elect Attends Training Seminar in Virginia

For immediate release

(Millsboro, DE) (March 7, 2016) — Judy Hall was among 220 incoming presidents from Virginia, Maryland, Delaware and the District of Columbia Rotary clubs who attended a two-day training for Rotary leaders at the Westfield Marriott in Chantilly, VA last week. The training is required for all incoming presidents of the 35,000 Rotary clubs in over 200 countries.

Judy will be installed on July 5, 2016 as President of Millsboro's Long Neck Sunrise Rotary Club for the 2016-2017 Rotary Year. The Long Neck Sunrise Rotary Club is part of Rotary International's District 7630 covering Delaware and the Eastern shore of Maryland.

Keynote speaker at the President-Elect Training Seminar (PETS) was Rotary International President-Elect John Germ of Chattanooga, TN, who challenged the group to strengthen clubs and continue Rotary's motto, *Service Above Self*. Among its other local, national and global efforts to make the world a better place, Rotary is in the forefront of the fight to eradicate Polio, partnering with the Gates Foundation and the World Health Organization.

Other speakers at the seminar included Joe Mulkerrin of Hampton Roads, VA, an incoming director of Rotary International, and John Smarge of Naples, FL, a former RI Director.

"This conference was truly enlightening," remarked Judy. "There were so many interesting ideas presented based on the diverse geography and club composition of those attending."

About Rotary

The Long Neck Sunrise Rotary Club meets weekly at 7:30 am on Tuesdays for breakfast at the Ocean Grill II on Long Neck Road. Visitors and prospective members are always welcome.

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 34,000 Rotary clubs in over 200 countries and geographical areas. Their work impacts lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world.
