12th ANNUAL
CHARITY GOLF TOURNAMENT

Monday, June 14, 2021

THE PENINSULA ON THE INDIAN RIVER BAY

WELCOME!

We welcome you to Long Neck Sunrise Rotary Club's 12th Annual Charity Golf Tournament. This tournament has grown tremendously from our humble first outing with 24 golfers, to last year's pandemic-delayed October event where we hosted 108 golfers. Thanks to all of you here today, this year's tournament registration maxed out at 132 golfers a full 30 days prior to our June 14 tournament date.

Whether a golfer or sponsorship partner, your support for our tournament is very much appreciated!! Without you, we would be unable to provide valuable funding to community and global organizations and initiatives.

In addition to Rotary International's Global Polio Eradication Initiative,* proceeds from today's tournament will go to support local organizations serving youth, adult literacy and programs to stem and care for victims of the opioid epidemic.

We also wish to extend our thanks to the golf and culinary staff at the Peninsula on the Indian River Bay for making this a safe event in a beautiful venue along with great food and beverages.

We hope that you will enjoy the day, particularly knowing that your participation enables the Long Neck Sunrise Rotary Club to do good in the Long Neck community and throughout the world and we further hope that you will join us again next year on **June 13, 2022!**

If you are not already a Rotarian, we invite you to join us some Tuesday morning to learn more about our Rotary Club so that you too can make a difference in our local and global community.

* More than 2.5 billion children in 122 countries have been vaccinated and only two countries remain in the world reporting active cases of polio. Our 2020 tournament, for example, provided funding (when matched by Rotary District 7630 and the Bill & Melinda Gates Foundation) to vaccinate 60,000 youngsters. Your participation in this tournament enables us to continue providing a polio vaccine that will alter the lives of countless children around the world.

ABOUT LONG NECK SUNRISE ROTARY CLUB

The Long Neck Sunrise Rotary Club will celebrate the 12th year of our chartering on August 27th. Before obtaining that charter, we had already initiated this golf tournament as the keystone of our fundraising efforts to support local and international charities, raising approximately \$148,000 since 2010.

From these humble beginnings, we have many proud accomplishments including our work with the children of the Oak Orchard Boys and Girls Club and Long Neck Elementary, supporting their playground and building projects, reading programs and birthday celebrations among others. We work with area high school youth as well, awarding \$1,000 Service Above Self Scholarships to area graduating seniors, working with the Interact club at Sussex Central and sponsoring many high school students to Rotary Youth Leadership Awards (RYLA) weekends since 2011. We have supported adult literacy programs and are working on programs to educate children and their parents about addiction. Our annual Flags for Heroes program for Veteran's Day raises funds to support local veteran causes.

On a global scale we donate funds every year to the Global Initiative to Eradicate Polio and we have participated in supporting the Kenya Gather Project, and sent Boxes to Afghanistan and Shoe Boxes to Haiti; and participated as an International Sponsor for Global Grants:

- to purchase medical equipment for cataract surgeries in India
- to purchase cows to establish women farmers in India
- to develop water sources and 150 family sanitation facilities for Nalerigu, Ghana
- to drill wells in the Democratic Republic of Congo-Miriam's Table

We meet weekly on Tuesday at 7:30 am in person for breakfast at the Ocean Grill Diner in Long Neck as well as virtually via Zoom where we share fellowship and have informative presentations from various local businesses and organizations. Refer to our website www.longnecksunriserotaryclub.com for details on how and where to join us.

We also have special evening dinners and happy hours.

Our Motto Is "Service Above Self" ...

And to Have a Little Fun!
